

Certificate

Pursuant to the EASA approved Design Organisation EASA.21J.019 and subject to the conditions laid down in LHT Management System IQ MOVE, we hereby appoint

**Lufthansa Technik
Philippines**

Technical Services, Villamor Air Base, Pasay City 1309, Philippines

as an official DESIGN DEPARTMENT of LHT Design Organisation EASA.21J.019.

CONDITIONS:

1. The authorisation is limited to minor repairs and minor changes to aircraft as of LHT scope of approval.
2. The procedures laid down in IQ MOVE are followed.
3. The LHT approval has not been revoked.
4. Subject to compliance with the foregoing conditions, this certificate shall remain valid until surrendered or revoked.

For Lufthansa Technik
Design Organisation EASA.21J.0019
