**SUBJECT: APPLICATION FOR ADDITIONAL POWERPLANT RATING - RR
TRENT XWB-84**

Dear Mr. Lambrecht:

This refers to your letter dated 30 August 2018, requesting inclusion of the RR Trent XWB-84 engine with the capability of "Splitting and Mating of Fan Case and Engine Core" in your current powerplant rating under your Approved Maintenance Organization (AMO) Certificate No. 40-00.

Please be informed that the result of the evaluation/ inspection revealed that your AMO has the pertinent documents and procedures, tooling/equipment, technical data, qualified personnel, facilities and all other required elements to perform the said capability on methods or processes described in your approved scope of work and/or capability list, meeting the minimum requirements in prescribed under PCAR Part 6. Hence, your request is hereby APPROVED.

Relative thereto, the above capability will be reflected on the next renewal or significant amendment of your AMO Certificate No. 40-00 and its Specific Operating Provisions.

Very truly yours,

By Authority of the Director General:

CAPTAIN DONALDO A. MENDOZA
Deputy Director General for Operations
